

## Old School Survival Boot Camp Presenter Information Form

**Name -**

**Business or Group Name if applicable -**

**Email -**

**Phone -**

**Photos - Videos**

Send images and video links you would like to be included with your presenter bio section and in marketing materials when you email this form back to [oldschoolsurvivalbc@gmail.com](mailto:oldschoolsurvivalbc@gmail.com) At least one photo will be needed for event marketing purposes. You can embed links to your website and social media on this form or just copy and paste them below.

**Website Link:**

**Social Media Links:**

**Credentials/Bio** - take as much space below as you need to highlight your skills, experience, and professional certifications, etc.

**Class Details**

\*Please duplicate this section if you are teaching more than one course. If the class is a “for kids only” class or has a Make and Take fee paid to the presenter upon entering the class, please note that in the class details. All

make and take classes require approval and a maximum number of participants noted.

There will be sign ups for make and take classes this year to ensure presenters have enough materials for students and are not overwhelmed by the volume of participants in a single class. I highly recommend a “kids only” class for many topics, they were highly popular in 2021 and more kids activities were highly requested by families for the 2022 event. There certainly can be a make and take fee for kids only classes also, if there is a project involved.

## **Course Name**

## **Description**

## **Vendor Booth Space Reservations**

Complimentary vendor booth space is available for all presenters. Please complete the vendor form (located via the Marketplace tab on the OSS Boot Camp homepage menu) note that you are a presenter, and return with the presenter bio form.

## **Full Hook-up, Water and Electric, and On-Site Campground Primitive Site Reservations**

On-site camping reservations (other than the complimentary behind vendor booth primitive spots) must be booked through OSS Boot Camp Ticketbud

for the Vinton County Agricultural Society Board - who own the VC Fairgrounds Campground. Click the Buy Tickets tab on the homepage to reserve a campsite.
