

Old School Survival Boot Camp Boot Camp Marketplace Vendor Information Form

Once your vendor form is received you will be sent a notification noting approval or our regrets. We do our best to limit competing booths, but some booths will be carrying similar goods during the event. All folks selling survival, prepping, homesteading, farming, gardening, ranching, off grid living, herbalism, camping, outdoor cooking, homeschooling, non-firearms weaponry, firearm accessories and supplies, and homemade gifts, crafts, clothing, signs, baked goods are the types of booths that are generally approved for inclusion at the Old School Survival Boot Camp Marketplace.

There is a \$25 booth space fee payable at vendor check-in upon arrival. Presenters receive a complimentary vendor booth space. Vendor spots will be marked and assigned on a first come - first served basis for ease of vehicle and trailer pull-in and parking.
