*We Remember  
Ed van Eckert  
1960-2021*

*Over the years of our involvement together with the Metuchen Rescue Squad Benefit Car-Truck-Motorcycle Show, Ed van Eckert became more than just our insurance agent and an indispensable asset to the Show. He became a friend – one with an amazing wealth of knowledge on numerous subjects. My visits to Ed's Farmer's Agency to go over my personal Classic Car insurance turned into hours-long conversations about anything and everything, sometimes only ending with a "Where ARE you?" text from one or both of our wives.*

*One of Ed's best talents was marketing, and when it came to helping out with the Metuchen Rescue Squad Benefit Car-Truck-Motorcycle Show, Ed just intuitively knew what to say to encourage a potential sponsor to support the Show.*

*Ed left us much too soon, and every time I pass the Agency in Metuchen, I find myself looking for his car in the parking lot, wishing I could stop by just one more time to talk with Edward van Eckert, about all those things he just somehow knew so well. He had that effect on everyone involved with the Metuchen Rescue Squad Benefit Car-Truck-Motorcycle Show. We all miss Ed and will always remember him.*
