Body Shop

Fine Auto Detailing

Show love to your car by giving it a SUPERCAR fine auto detailing. Not only will it protect the exterior and interior of your car but it will stand out everywhere you go.

Backed up by GSA & Lexus of Princeton.

Tinted Windows

At SUPERCARS we offer premium window films with premium installation. Select the percentage of you fill and protect yourself from those harmful UV rays with an added benefit of having privacy.

Vinyl Wrap/ Clear bra kit

Would you like to spice up the look of your car? It couldn't get easier with vinyl wrap. Change the color or turn it into a head turner with vinyl wraps. And if you like the color but you don't know how to protect the paint from rock, bus and bird dropping at SUPERCARS we have the solution for you. Protect your paint with a clear bra kit and those worries will be in the past.

Mechanical work

Professional and honest work backed up by local people.

The knowledge of the staff, in diagnosing and fixing the issues at this shop cannot be matched with any type of vehicle. Lee and the boys there take pride in what they do because if there is something wrong with your vehicle it could put you or others at risk on the road. The prices are very reasonable too. Couldn't be happier.

Friendly, competent and professional guys. I have brought my car 3 times and i have always been amazed with their wonderful work. I recommend them highly!

Sara Austin / 5 months ago

Marcus and Lee great guys. I like that Lee actually shows you what's wrong. That's true customer care. Thanks a lot look forward to doing business with you in the future

P S / a year ago

Great bunch of guys here. They really take their time making sure everything is right. They don't charge for unneeded parts and don't hide anything from the customer. I would give 6 stars but google only lets me give 5.

Centrix VCA / a year ago

Jean is the absolute best Tint guy around!! Everyone at Supercars were so friendly and helpful. I will definitely be recommending their services to others!!!

Gracie Calderone / a year ago

Excellent, friendly service. Honest mechanics. After a very unhappy experience with the dealer where I bought my Scion, I took my vehicle to Supercars when I had a flat tire. They fixed it for FREE, and it was after closing time!

*We remember
Tim Parker*

Tim was our graphic artist for at least the first three years of the Metuchen Rescue Squad Benefit Car, Truck, and Motorcycle Show until he got sick. Tim would never take any payment for his work, nor even create an ad to promote his work. Tim was a father of one of my son's best friends, had a tremendous sense of humor, was a giving guy, and is sorely missed by friends and family.
