EXPERIENCE

Subject Matter Expert (Computer Science)

Chegg Inc.

August 2021 – present

Delhi

- Solved more than 450 questions of Computer Science.

PROJECTS

SlotMeUp: Slot Booking WebApp

Minor Project

Aug 2022 – Nov 2022

<https://github.com/yashjain1974/Minor-1-project/tree/master/timetable-manager>

- I have designed a web application in which a student can book a meet with the teacher with full flexibility .
- Makes a two-way communication between teacher and the student by just booking the time slot and meeting without wasting any time.
- proposed methodology:- 1) Email are used for providing a response from user and to user. 2) Providing a well balanced time table visualization by using react components:- 3) Real-time database is used for slot booking queries
- React JS , HTML ,CSS, Javascript
- Used Firebase for Authentication.
- Used MongoDB and firebase for Backend.

V-Meet : Tourism Vlogging Site

Self-Learning Project

May 2022 – June 2022

<https://meetup-page-vlogging-site.vercel.app/>

- This Web-App shows Indian Tourism Places, and users are also able to add their journey to keep records of visiting sites with images.
- React + Next js
- Used Firebase for Authentication.
- Used MongoDB for Backend.

Shop Machao : Ecommerce Website

Self-Learning Project

January 2022 – February 2022

- Shop Machao is a e-commerce Website. It is a clothing, footwear, or accessories.
- Django Framework + Python
- sqlDb3 for Database
- FrontEnd HTML , CSS and Javascript

EDUCATION

Integrated B.Tech+M.Tech in
Computer Science

JIIT Noida

July 2020 – Present

CGPA:7.90

Class XII

Kendriya Vidyalaya Sawai Madhopur

June 2020

88.20%

Class X

St. Paul's English Sr. Sec. School

June 2018

86.83%

SKILLS

C/C++

Python

Java

Django

React

NextJs

JavaScript

Firebase

MongoDb

HTML

Kivy

Git

Matplotlib

COURSEWORK

- Data Structures and Algorithms
- Object- Oriented Programming
- Front End Development
- Database Management Systems
- Big Data And Deep learning

ACHIEVEMENTS

- Attended Every MLH Hackathon since 2020.
- Completed Google Cloud Qwiklab , Achieved All 3 Milestones
- Participating in Every HacktoberFest Event since 2020
- Got 2nd Position in State level Dance Competition organised by Rajasthan Patrika
