The times can be off either way by an hour or more, so do not rely upon them. Plan to come earlier than the times indicated. We have grouped the Novice/Open classes at the end of the day for fewer people in the building at a time.

Course maps will be emailed to exhibitors the morning of each trial day.

We wish each team clean runs and fast times. Our club appreciates that you chose to enter our trial. Thank you! Most of all… be safe and have fun with your dog!

AKC SPORTSMANSHIP CODE

The AKC Code of Sportsmanship and Civility aims to promote responsible and respectful behavior at events. The Code emphasizes the importance of creating a positive atmosphere at events. Respect, equity, inclusion, and courtesy are foundational. This applies to everyone in attendance, including exhibitors, judges, officials, volunteers, spectators, and staff.

A renewed emphasis fostering on a respectful environment both online and at in-person events. To ensure that dog sports remain welcoming and inclusive, sportsmanship must extend beyond in-person interactions on show grounds. In our modern and connected world, it's just as important to be respectful to your fellow competitors when communicating on digital or social media platforms.
