

# MISSIONS WITH THE EPPS

## Hey y'all!

We are SO Excited to be here at MFI (Missionary Flights International) and we have been super busy with a-lot going on. We have lots to tell you but there's very little space here.

## TESTIMONIES

Even through the violence, earthquakes, and storms, we continue to bring supplies to the missionaries, who are suffering through these events. They bring the Gospel to people in places where God's Word is still not found.

Christi with Many Hands for Haiti said, "If it wasn't for MFI and guys like you who fly our stuff in, we would not be able to stay here and do our ministry."

Amanda from Psalms 139Love said, "You guys took a lot of truck parts in for us. If it wasn't for MFI, our truck there would not be working and probably never would have worked again. Thank you for taking all of our stuff and us into Haiti and making it easier for us to do our ministry there."

First of all, God's timing is always perfect! We are blown away at what we see on a daily basis. We get to watch God move everyday. Being directly involved with the missionaries and taking

them and all of their supplies in and out of the Caribbean countries, has opened our eyes to just how much God is working 24/7 around the Globe.

We have taken over 1,000 Bibles into these countries over the last 6 months alone! People are coming to Christ and we want to Thank You for helping make this a possibility.

*Then I heard the voice of the Lord saying, "Whom shall I send? And who will go for us?" And I said, "Here am I. Send me!"*  
-Isaiah 6:8

## Secondly: We have some BIG news!

Kristen is 4 months pregnant! Woo hoo!! And... IT'S A BOY!! He is due Sept. 3<sup>rd</sup>, 2022 and he will be here before we know it. Woo hoo!!

## Family Highlights and PRAISES!

These past few months have been filled with opportunities and highlights to honor the Lord.

The best one was Kevin and Pastor Eddy getting to baptize our 2<sup>nd</sup> daughter Allison! Faith got released from her Cardiologist, as everything has healed! Rebekah loves the Lord and has become quite the roller skater!

Family Day at MFI was a success! Thank you to those who could come out to see and fly with us.

We were able to participate in a Feed my Starving Children event at MFI and pack mineral enriched food for starving children.

God allowed us to host an MAF missionary mechanic for 10 days, before being sent to Mozambique.

When Kevin is not flying, he's doing maintenance as a mechanic on our DC-3'S. He also spoke at several events and churches.

## Monthly Support Status

100% Goal = \$5,800 per month

*With the precious gift of a baby boy coming in Sept., we will need to raise an additional \$300 per month.*

If the Holy Spirit is calling you to partner with us, you can give the following ways:

Online: [www.missionaryflights.org/Epps](http://www.missionaryflights.org/Epps)

Mail: 3170 Airmans Dr. Ft. Pierce, FL. 34946
