

Primary Physician Partners, P.C.

Consent for Medical Treatment

I knowingly and voluntarily consent to medical care, encompassing any evaluation, routine diagnostic procedures, and/or treatment by the attending physician, his/her assistants and/or other designees as deemed necessary.

Consent for Release of Information

During and after treatment Primary Physician Partners, P.C. may be required to release information to your insurance company, in order to obtain eligibility information of authorization for treatment. Primary Physician Partners, P.C. may also release information or copies of your health records to licensed health care facilities and/or agencies that may be involved in your current care or the continuation of care following each visit. Primary Physician Partners, P.C. may also receive requests to review your medical record by the payer after treatment. I consent to the disclosure and release of information as described above. Primary Physician Partners, P.C. will comply with Federal and State Regulations for the protection of patient privacy and confidentiality.

Assignment of Benefits

I authorize direct payment to Primary Physician Partners, P.C. for any medical benefits otherwise payable for services rendered to my dependents or myself. I am aware that it is my obligation to know my insurance company's policies and I am responsible for payment if I have not fulfilled their requirements.

I have read and understand the information provided on this form.
