

Dr. Ranganna does NOT prescribe narcotic pain medications and certain other controlled substances.

If you are on medication for Schizophrenia, Bipolar Disorder, Attention Deficit Disorder or certain other mental health issues, please plan to see a mental health professional for medication management. Dr. Ranganna does not prescribe them nor manage these mental health issues.

Dr. Ranganna requires a minimum of 1 year of your most recent medical records. There will be no exceptions to the policy.

Please bring an interpreter with you if you require one as this office does not offer this service.

Please sign and date that you acknowledge the above policy. Electronic signatures are not accepted.
