

CIDSCaNN Site Membership Application

1) Name of Site Director (Attach CV):

Co-Director (Attach CV):

Co-Director(Attach CV):

2) Email: Director:

Co-Director:

Co-Director:

3) Other MDs at location providing IBD care who have Individual CIDSCaNN memberships:

- a.
- b.
- c.
- d.

4) Other MDs at location providing IBD care who do not have Individual CIDSCaNN memberships:

- a.
- b.
- c.
- d.

5) Pediatric Medical Centre Name:

6) University Affiliation:

7) Application Details:

- a. Description of interest in becoming a CIDSCaNN Site Member (1 page):
- b. Describe Centre IBD Population and Clinical Resources
 - i. Number of new diagnosed patients/year
 - ii. Number of patients actively followed
 - iii. Age of transfer
 - iv. Endoscopy (e.g., equipment, location, and access (do all new diagnosed patients undergo endoscopy; do all IBD patients undergo follow-up endoscopy; sedation practices; recording ability)
 - v. Imaging (e.g., access and use of MR enterography, bowel ultrasound, endoscopic ultrasound, use of barium studies, use of CT)
 - vi. Outpatient clinics
 - vii. Blood, urine, stool and biopsy sample collection facilities
 - viii. Other Health Care providers availability (e.g., Dietician, Social Work, Psychology, Pharmacist)
 - ix. Other

- c. Describe Centre Research Resources**
- i. Personnel (e.g., are there Research Coordinators? Are they IBD-specific or shared, are there full-time Research Coordinators? Or on contract?; What is their experience)?**
 - ii. Review Ethics Board (e.g., site-based or central; meeting frequency, average turn-around time for new submission)**
 - iii. Contracts (e.g., how re contracts handled)**
 - iv. Biosamples (e.g., what biosamples are capable of being collected (e.g. blood, stool, biopsy, resections, urine); where can biosamples be collected (e.g. in endoscopy site, in outpatient clinics, inpatient, home) what processing of biosamples is available; shipping of biosamples, Storage capabilities (e.g. fridge/-20 freezer/- 80 freezer, liquid nitrogen)**
 - v. Experience (e.g., prior and current IBD/other research, Clinical? Translational? Basic?)**
 - vi. Computer and Internet access and capabilities**
