WARM UP RAIL SESSIONS

The purpose of these sessions is to simulate the "show experience" so that everyone can practice and fine tune their entry.

- Additional splits may be made to accommodate multiple horse/rider combinations and/or session sizes. Enter what you need to, we will do our best to accommodate you.
- Sessions must be entered in the show office prior to riding in that session. There is not a "ride through the gate" option.
- These sessions are **not judged** or **awarded**.
- There will be a ringmaster in center ring to supervise and make the gait calls.
- Sessions will be called using the specifications for that discipline. Horses must stay in the gait announced. Please limit schooling.
- Safe and functional tack is required. No illegal schooling equipment.
- Appropriate riding attire and footwear is a requirement. Show Attire is optional.
- We encourage all riders to wear protective headgear passing current applicable ASTM standards with harnesses secured.
- Sessions are not recognized by AHA or USEF
