Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21 birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program and the USDF Regional Schooling Show Awards Program. **Business Membership (BM):** A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$115) is eligible for Adequan/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

The public address system is considered a courtesy to the exhibitors and its function or coverage of areas cannot be guaranteed. No refunds will be made solely because of sound system inadequacy or failure.

Changes of Handler/Rider. Please fill out a handler or rider change form, including signatures, correct association numbers and required documentation, in the show office prior to the start of the class. This will ensure that points are recorded correctly for qualifying purposes.

Delay of Class (more commonly known as a "Gate Hold"). In classes where horses compete collectively, when it is found that a gate hold must be requested by an exhibitor, such request shall be made to the Paddock Manager or "Lord of the Ring" (gate person) prior to the close of judging of the class immediately before the class requiring the gate hold. The reason for the request must be stated. The gate hold will be a maximum of three (3) minutes. In classes where horses compete individually, failure to check in with the Paddock Manager or to enter the competition arena at the assigned time will result in elimination.

Drug and medication rule • Refer to USEF Chapter 4, GR 408-411. The official Medication Report Form is now online at:

Minors who have a valid temporary license may operate the above-described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule. The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule. (01/19/2022)

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of individual members and over 100 independent organizations throughout the United States, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

WE WANT TO SEE YOUR FREESTYLE!

GENERAL RULES. DR129 and WD131. Know the rules for the level you are riding, including forbidden and allowed movements for your level. These are not costume classes.

ELIGIBILITY. Dressage classes 150 & 409 require proof that horse/rider combination has earned a score of 63% or higher in the highest test of the freestyle level or any test of a higher level *prior to this competition* [DR129.9]. This pre-requisite score may be earned in open or Arabian USEF Dressage competition [AR173.2k].

TEST OF CHOICE. The entire class (*i.e.*, all sections 150.9-150.4) will be pinned as one class. A horse may be entered in a class only once. You must specify freestyle level (section) on entry.

MUSIC. Bring a thumbdrive or email MP3 download file to tague@whidbey.net before 7/30. Clearly label with rider & horse names, bridle/back number, freestyle level. Backup is recommended for DR; required for WD.

SOUND CHECKS. Time will be posted with Friday's ride schedule. If you can't attend, please let the office know well in advance so you can be rescheduled. You may send a representative to the announcer's tower to supervise handling of your music during your sound check and performance.

CLASSES BY SECTION

• SPORT HORSE IN-HAND •

Please be familiar with USEF Rule Book, Arabian Chapter, AR-17 Sport Horse Section.

Note: Protective headgear (as defined in AR111) is encouraged but is not required for all classes within this section

In Hand times will be assigned and posted in the Show office and on the website. Show management reserves the right to use the Open Card system. Classes may not be held in order of class number. You must be ready to present your horse at your scheduled time.

In all Sport Horse classes -- In-Hand, Under Saddle and Show Hack -- tack and appointments must match one discipline, Traditional Dressage or Hunter. Much Hunter tack/attire is legal for Dressage, and conservative casual attire with running shoes is recommended for handlers of either type, but you may not mix-and-match, for example, a rhinestone browband in a Hunter Type class. **Protective headgear** is recommended for all handlers.

All REGION 4 CHAMPIONSHIP classes are open to horses 1 year and over. Yearlings can now be named Champion or Reserve Champion.
