AHA Point Reporting

Qualification Points

Qualifications for Regional and National classes are determined by the number of points a horse receives through sixth place and based on the number of horses in the class at the close of the gate. Horses earn one point for every horse in the class. Example: Twelve horses entered - 1st place = 12 points, 2nd place = 11 points and so on up to sixth place. Qualifications for Nationals may also be done by receiving a Champion, Reserve Champion, Top Five/Six at Regional Shows, receiving a Medal or Medal points in Equitation or using scores in AHA Recognized Shows and/or Open Competitions. See Chapters 11 and 12 of the current AHA Handbook for comprehensive rules and AHA National Championship Class List for point requirements.

Sweepstakes Points

This program is optional for horses when all Sweepstakes requirements are met. Sweepstakes nominated horses must enroll in the Sweepstakes Point Program to be eligible for prize money. Only horses participating in AHA Recognized Local Events (excludes Open Qualifying Competitions, ASC Shows and Limited Distance Rides for Endurance) will receive points up to sixth place based on the number in the class or ride. See Chapter 19 of the current AHA Handbook for comprehensive rules

Sweepstakes Points

Distance Horse Miles

For horse properly enrolled, miles ridden are recorded through AHA Recognized rides both in Competitive Trail and Endurance Rides. In addition, mileage may be counted in Open Qualifying Rides. The Award is given at 500 miles and additional recognition at every increment of 500 miles thereafter based on the actual number of miles completed. See Chapter 20 of the current AHA Handbook for comprehensive rules.

Achievement Award Points

Points are awarded depending on the placing of the horse and/or Rider/Handler and the number in class, ride or race start. Other factors are included in the tabulation such as percentage scores for Dressage, distance ridden for Competitive Trail and Endurance Rides and furlongs run for Arabian Racing. Points are counted once all entry requirements have been met and back points may be purchased. Open Qualifying Show/Event Results may also be submitted. See Chapter 19 of the current AHA Handbook for comprehensive rules.
