- *Additional splits may be made to accommodate multiple horse/rider combinations and/or session sizes. Enter what you need to, we will do our best to accommodate you.*
- *Sessions must be entered in the show office prior to riding in that session. There is not a "ride through the gate" option.*
- *These sessions are **not judged** or **awarded**.*
- *There will be a ringmaster in center ring to supervise and make the gait calls.*
- *Sessions will be called using the specifications for that discipline. Horses must stay in the gait announced. Please limit schooling.*
- *Safe and functional tack is required. No illegal schooling equipment.*
- *Appropriate riding attire and footwear is a requirement. Show Attire is optional.*
- *We encourage all riders to wear protective headgear passing current applicable ASTM standards with harnesses secured.*
