

## 2021 REGION 4 AHA SPORT HORSE CHAMPIONSHIPS August 6 - 8, 2021

---

Good Afternoon!

From all of the Facebook posts and photos, I understand that the Region 5 Sport Horse Championship in Monroe, Washington was a great success, and Main Ring is going strong. Congratulations to all of you that were able to attend!

A few of you have reached out because you missed the closing date for our upcoming Region 4 Sport Horse Championship Show at the beautiful DevonWood Equestrian Centre in Sherwood, Oregon. We are offering a pre-show day and regional classes in the following divisions:

- Dressage
- Western Dressage
- Carriage Pleasure Driving
- Sport Horse In-Hand (dressage, hunter, open and amateur)
- Sport Horse Under Saddle and Show Hack
- Hunters over fences
- Equitation
- Classes for Walk-Trot 10 & Under

As, I often say "**What we do for one, we do for all**" - We are extending the closing date without post entry fee. Our judges are contracted; their airfares have been purchased, and we have lots of arenas available. Many of us feel that it is important to put the sport horse divisions back together as one championship for everyone to attend. We are doing this for the exhibitors and with no qualifications required, it's a great year to join in on the fun!

Speaking of officials, we have had to make a few changes. If you have questions, please contact me.

- Mrs. Dorie Vlatten-Schmitz "S" will be replacing Melissa Creswick.
- Carol Spangler will be replacing Cindy Reid.

Other updates:

- We will not be using FoxVillage for Dressage and In-Hand. As Carol will be filling our TD/Steward position, she will not be working in the office. We are really lucky to have had her on our roster.
- Having Carol as TD, also means that I will be doing dual duty at the show

as Secretary and Manager. If you can lend a hand at the show in any capacity, please let me know.

- We are working with a local vintner to bring you a "tasting event".
- I'm hoping to and a few "foodie" events in the coming weeks.

I know I am probably forgetting something . . . If you have questions, please feel free to call me. You can [enter on-line](#) and save yourself a ton of time with printers, copiers and scanners. Do it soon - once we start scheduling ride-times and in-hand goes, these classes will have to be closed.

I really hope to see you all soon!
