HURRICANE SEASON TIPS

Even though summer is over, hurricane season extends until the end of November. Below are some helpful preparedness tips to keep in mind this season:

- Have an evacuation plan: Where will you go and how will you get there? Know what essentials you will need to pack
- Designate a small, interior, windowless room in the house to shelter yourself in case of emergency
- Gather emergency supplies: food, water, medicine, flashlights, batteries, etc.
- Secure items outside in case of strong winds
- To prepare for flooding, stockpile sandbags and clean out drains, gutters, and downspouts
