Dear Mr Johnson

Your Resignation

Enclosed is a scanned copy of the Affidavit I swore on pain of perjury on Tuesday 31 May 2022. You must read it carefully and in its entirety.

Once you have done so you will realise that you have no choice but to telephone Her Majesty the Queen and resign as Prime Minister and as a Member of the Privy Council. Following that you should apply to the Chancellor of the Exchequer to be appointed to the position of Crown Steward and Bailiff of the Chiltern Hundreds. You cannot win 180 votes in any "No Confidence" vote of the 1922 Committee.

I suggest you do not say anything, as you might incriminate yourself, and that after you cease to be a Member of Parliament you should speak with your personal Solicitor and seek advice about your position in relation to you having committed the statutory offence of fraud (*per* section 1 of the Fraud Act 2006) and having committed the Common Law offence of Misconduct in Public Office. There are Police issues.

You will see from my Affidavit that you are theoretically able to issue Defamation proceedings against me in the High Court of Justice. However, you cannot actually do so because you will act illegally if you do. In the event that you serve a Claim on me I will plead and prove your various frauds. In relation to that I refer you to the Judgment of the Supreme Court in *Prest v. Petrodel Resources Ltd & Ors* [2014] UKSC. Please click on <https://www.bailii.org/uk/cases/UKSC/2013/34.html#para18>.

I am ready for civil proceedings and am ready to make public this correspondence; Exhibits HC/R/4-R/12 (and possibly others); my Submission of 2 June 2022; Volumes 1-4 of *The Constitution Series* (regarding my Legal Submissions/Skeleton Arguments). In relation to that and your criminality I refer you to Appendices 1-5 attached hereto.

Yours sincerely

Julian Brennan
