

SEED STITCH COWL

NOTE: Gauge is important when determining how many stitches to cast on. Be sure to knit a gauge swatch with the yarn and needles you intend to use to make the project. This will help you determine if you need to make any adjustments to this pattern.

ABBREVIATIONS

PM..... Place Marker(s)	k..... knit
itr in the round	p..... purl
st(s).... stitch(es)	rnd(s).. round(s)
tog together	rep..... repeat

SUPPLIES

Needle US 7 – 4.5 mm 16" Circular (or length needed)	Darning Needle

Stitch Markers	Pen & Paper for your notes

SIZES/CAST ONS

- | | | |
|---|-------------------------|---|
| 🚦 24" Circumference | Cast on: 120 sts | Uses: ½ - 1 ½ skeins; depending upon whether you choose the 24" x 10" cowl or the 24" x 24" Snood. |
| 🚦 36" Circumference
prefer 6 – 7 ½". | Cast on: 180 sts | Uses: ½ - ¾ skeins: depends how wide you make it. I |
| 🚦 48" Circumference | Cast on: 240 sts | Uses: ¾ - 1 skein; depends how wide you make it. |

SEED STITCH PATTERN

Odd Rnds: *k1, p1; rep from * to end

Even Rnds: *p1, k1; rep from * to end.

DIRECTIONS

Cast on the desired number of sts to achieve one of the circumferences listed above. PM every 20 sts while casting on, be sure to use a different color marker where the round starts and ends. Be careful not to twist the join. Begin Seed Stich Pattern and knit in pattern until desired width is achieved. Bind off with US 9 needles, or use a stretchy bind off technique, if preferred.
