

## A NOTE FROM OUR FOUNDERS

What a Start to 2025! The first half of the year has been full of long-awaited milestones at Kelly Center of Hope—from finishing construction and receiving our certificate of occupancy to cutting the ribbon and officially welcoming our first residents. We're also proud to announce that KCH is now a licensed Safe Place agency—the first in Eastern NC. This partnership allows us to provide even more youth in crisis with immediate access to safety and support. Watching this home come to life has been emotional and inspiring. None of it would be possible without your support—through prayers, donations, time, and encouragement. Thank you for believing in this mission. Here's to the rest of the year—full of new beginnings, growth, and changed lives.

With gratitude,  
Josh & Alexis Kelly

## RIBBON CUTTING CELEBRATION

Your encouragement has helped turn this dream into a reality. We're thrilled to now be open, accepting residents, and officially operating as a licensed Safe Place agency—offering hope, stability, and a brighter future for the youth we serve.
