A SPECIAL THANKS

Delays in opening mean delays in stable funding. As a result, we rely heavily on large fundraisers to carry us through, like the WIMCO Charity Golf Tournament and The Kelly Children's Home Annual Charity Gala. A special thanks to those that participated in these events!

We also rely on the monthly pledges from our founders (Alexis & Josh Kelly) and KCH vision partners such as:

- XRC Church
- St. Clair's Church of Christ
- Tranter's Creek Church of Christ
- The Hanzel Family
- The Kelly Family

Even though we aren't open yet, support from people and organizations like these, keeps us going!

The contributions haven't gone wasted & have allowed us to do many things such as:

- Support three children in emergency placement situations, sent an at-risk teen to Teen Challenge
- Send two teens to summer camp for a life changing experience
- Provide guidance and support to two displaced teens.
- Retain 2 full time employees
- Utilities, lawn maintenance
- Property insurance
- Prepping for larger renovations
- Downstairs ceiling & flooring repairs
