

Thus far we have 27 folks signed up; and it'd **SURE be great to have MORE of you!** *We'll reminisce, tell War Stories, and learn about each others' grandkids!*

SNOOZE and I are also giving flights to those that would like to fly formation again (he and I are covering the fuel); PLUS there will be Citabria and Stearman flight opportunities from pilots on the airfield (good friends of SNOOZE).

Early arrivals on Monday or Tuesday can stop by the SNOOZE household (4 Teal Ct, Locust Grove) anytime. They'll be providing dinner Tuesday around 5 PM, but folks can stop by sooner -- Pizza, Wings, and Lasanga; AND they'll crack open the Paulanger Beer Keg!

They'll need help setting up on Tuesday during the day, for anyone arriving early. SNOOZE cell is 662 574-9157, so please call or text anytime!
