2. Understanding Your Fees

- Group tuition is charged monthly; fees reserve the regular class place.
- The number of lessons in a month may vary because of the calendar or scheduled breaks.
- Private coaching is charged per scheduled lesson at the rate shown above.
- Fees for workshops and masterclasses are communicated separately.

3. Payment Procedure

Tuition fees are payable by bank transfer or PayNow.

Payment details and the amount payable will be provided individually upon confirmation of enrolment.

After payment, WhatsApp your payment confirmation to Mr Lawrence Ong at +65 9488 0750.

4. Trial Lessons & Important Notes

If a student does not continue after a group trial lesson, that trial lesson is free.

Free trial lessons do not apply to private coaching; private trials are chargeable.

Missed lessons, make-up arrangements, withdrawal and refunds are governed by the Tuition Terms & Conditions. Please read that document before enrolment.
