

Erie Pennsylvania Sport Fishing Association

The EPSFA was formed to educate, enhance and protect the sport fishing in Pennsylvania, especially in Lake Erie, Presque Isle Bay and its tributaries.

2023 Brown Trout Meeting Bullet Points

LEAC 2021/2022 Results:

The number of steelhead stocked in Lake Erie in 2022 was 1,911,970. (ONT 67K, MI 60K, NY 195K, OH 500K, PA1.1Mill)

In general, there are a LOT of steelhead going into the lake already

- Diverse fishery
- Increase business/visitors
- Gobies
- People travel to NY
- Separate PA from all other states and ONT
- Change
- Create fall/spring boat fishery
- PI Bay fishery
- East side fishery from shore
- Eat different forage foods
- Increase license sales
- Diversity
- Its desired
- Make this more of an east side fishery? Habitat shows it bodes well.
- Fall fishery for rec and charters by PI Bay protected waters
- NO FALL fingerlings
- Stock East ave or Halley Street or ?
- Talk to NY guys (Rome fish) Domestic
