Dear Sponsor,

The EPSFA would like to thank you for your support in 2007. Your contribution helped make the 2nd annual EPSFA Walleye & Steelhead Pro-AM Team Tournament a success.

This was the first tournament of this nature held in Erie, PA in 2006 and we were successful in doing it again in 2007. The 2nd annual event attracted 41 teams with over 120 participants. The event also attracted numerous onlookers and supporters. Many people came out to enjoy the weather and watch the teams bring their coolers to the scales each day.

Tournaments of this nature rely on the support of individuals, organizations and businesses. Without them, they cannot function. At this time, we are asking for your support in 2008. I know it is early to start asking for your support but many companies budget sponsor dollars the year prior. Also, we want to inform you that we intend to hold this tournament again in 2008.

I have enclosed a 2008 sponsor package for your review and consideration. Please consider supporting this event again in 2008. If you have any questions or comments, I can be reached at 452-2539.

Sharp Hooks,

Captain Pete Alex,  
EPSFA President
