Re: Walleye Acoustic Tag Project

Dear Captain Mark,

During our January board of directors meeting, we agreed to sponsor \$1,500.00 toward the program or the equivalent of (5) acoustic tags. We sincerely hope this helps with the “grass roots campaign”.

Please keep us abreast of the program as it develops and we wish you the best in obtaining the additional tags from the various like minded groups in PA.

Best Regards,

Pete Alex,  
President, EPSFA
