

ARCHIVE LOG_05

The reflection has not agreed with the room since 03:12.

Subject returned to the same mirror without prompting.

No visible distress at first.

No verbal acknowledgment of the delay.

Observed deviation: reflection completed movement before the subject initiated it.

Observed deviation: denim mass is inconsistent between angles.

Observed deviation: space behind the lower garment appears deeper than the measured room dimensions allow.

Prior note revised for accuracy:

The subject appears unaware.

That word was not there yesterday.

No technician has claimed the edit.

Further review recommended.
