

A man in a duck suit wades in a fake pond. A man dressed up as a lily pad wades in the middle of the pond.

DUCK

I feel so relaxed.
I've got the best pond
around.

LILY PAD

You sure do, MR. Duck.
Why--I can remember
when you were a little
duckling.

DUCK

I couldn't flap my
wings like this when I
was a duckling.

Duck starts flapping wings very hard.

LILY PAD

You sure couldn't. It
took you a long time
to learn how to do
that, but when you
did, your parents were
sure proud of you.

Duck swims around to the other side of Lily Pad.

DUCK

I love my pond, and
it's all mine. My pop
said so.

LILY PAD

(smirk
ing)

He sure did, didn't
he. There is a lot of
responsibility having
your own place.

DUCK

I know. I remember.
My momma said, " Don't
forget to eat, sleep,
and poop".

LILY PAD

(disgu
sted)

Poop? What did your
pop tell ya?

DUCK

Oh, right! Pop said, "
This is our pond son.
It has been in our
family for ages. It
was my fathers pond,
and his fathers pond
before that. It is
your pond now son.
Protect it with your
life. Keep your eyes
out for geese.
They're always out to
take a helpless
creatures land.

LILY PAD

Good advice. He was a
smart duck.

DUCK

The smartest.

A man dressed as a goose is seen walking
towards the pond. Duck and Lily Pad see the
goose.

GOOSE

Get out! You're in my
pond.

DUCK

This is my pond.

GOOSE
It *WAS*--your pond.

DUCK
No, it is my pond.

GOOSE
I'm throwing you out,
and making it mine.
Don't worry, I'll set
you up with a nice
drainage ditch.

DUCK
I don't think so. I'm
not going anywhere.
This is *my* pond. It
says so in, The Holy
Duck Call.

The Holy Duck Call= The Holy Bible.

GOOSE
I don't believe in
your stupid beliefs.

DUCK
Why?

GOOSE
I have my own set of
beliefs.

DUCK
Why?

GOOSE
Because, this is what
my ancestors believed
in, so it must be
true.

DUCK
What about mine?

GOOSE
Your beliefs are not

true, therefore we
will fight for this
land.

DUCK

Why?

GOOSE

Because my beliefs say
this is my land.

Both Duck and Goose get in fighting stance.
They prance around a little bit. The Lily
Pad stands up. He takes the suit off.
Underneath the Lily Pad is an American
Hunter. He picks up a rifle. He shoots Duck
and Goose.

LILY PAD

This is my pond! You
know why, because,
it's in my back yard.
Dinner time!
