Methodist ministries in Costa Rica are seeking teams to engage with fellow Christ-followers and assist with essential construction projects. Churches can send teams of 15-20 people for a week to one of the churches or the Methodist Children's Home for needed construction projects, good fellowship, and children's activities. For smaller congregations, we hope to assemble conference-wide teams comprising members from various churches.

2026 Trips:

August 1 - 8 at the Children's Home
October 31 - Nov 7 at the Children's Home
October 24 - 31 in Guapiles
