## How to Make a Cancellation

If your child is not attending for the requested day, please notify the service via phone or email. To cancel a booking without incurring fees, the centre must be notified in writing 7 days prior to the requested day occurring or a medical certificate must be provided. Otherwise, the advised fee listed for that day will be charged.

You may be able to receive Child Care Subsidy (eligibility and percentages determined by Centrelink) to reduce your Child Care Fees. Please speak with the Coordinator if you would like further information. Casual fees apply to those families booking their children into Vacation Care after Friday, 14<sup>th</sup> September 2018. Fees will be processed through the Debitsuccess system. Parents may elect to be charged the whole amount upfront or fees will be calculated into your fortnightly payment.

## Terms and Conditions

By enrolling your child/ren in Vacation Care, you are accepting and are willing to abide by the terms and conditions outlined below:

- All fees are paid either in Debitsuccess fortnightly cycles or for the entire booking upfront.
- All children and parents/guardians must abide by the service's policies and procedures.
- Children will be held responsible for their own belongings.
- Excursions must be booked before the permanent booking closing date. Late bookings will only be accepted if room allows. Bookings for excursions and incursions will cease once the number of children allowed reaches capacity.
- Money will not be taken on excursions, unless otherwise specified.
- All items requested for excursions must be provided or the child will not be able to attend.
- All forms, including excursion consent forms, must be completed in full. Otherwise, they will not be accepted and your child/ren will not be able to attend.
- Fees will only be cancelled according to our Cancellation Policy which is when a minimum of 7 days' notice is given.
- Bookings cannot be swapped inside the 7-day cancellation period and this will only be allowed outside the 7-day period on condition of availability.
- Your child will not be allowed to participate in any swimming activity unless a 'Swimming Ability Form' is completed. No swimming occurs during Winter Vacation Care.

***All concerns or queries should be directed to the Coordinator.***

## Electronic Devices

Electronic devices may be allowed during vacation care. However, children are not allowed to take photos or recordings with these devices. All games etc. on electronic devices must be “G” rated. No movies are to be viewed on individual electronic devices whilst at the service. If a child misuses an electronic device, it will need to be handed into the OSHC office for the rest of the day until the child is going home. Electronic devices are only able to be used by the person who owns them and at assigned periods throughout the day. The service takes no responsibility for the safety and security of these devices. All items should be named/labelled.

### *Food Considerations;*

Sherwood State School OSHC is a nut free centre and any products containing nuts will not be able to be consumed whilst at the service. If a child brings these items, they will be put aside by the Responsible Person in Charge and returned to the family when the child is picked up. Please ensure your child has enough to eat during the course of the day, excluding nut products. Those choosing to consume egg products will need to sit in an assigned area while eating. This is because we have a substantial number of children attending Sherwood State School OSHC with severe allergies to nut and egg products. Breakfast and afternoon tea are provided by the service but all other meals are to be provided by the child’s family. Dietary needs are accounted for but must be specified on the child’s enrolment form. Families are encouraged to pack extra food for a child who is a fussy eater as this is not considered when shopping in bulk for those who attend the service. Please also be aware that children’s food is not able to be heated in the microwave or have hot water added to it by educators.

### *Every Day - Please Bring;*

What to bring – Every day, a child needs to bring morning tea, lunch, a drink bottle of water, a sun smart hat and closed in shoes. Only those wearing closed in shoes will be allowed to participate in outdoor play, incursions or excursions. Clothing also needs to be suitable, covering the shoulders and appropriate for activities being performed. Younger children need to have spare clothing packed in their bags in case they must change throughout the day. Sherwood State School, Outside School Hours Care takes no responsibility for any lost or damaged property belonging to a child or their family. Therefore, we discourage bringing toys or valuables from home as these are fully the child’s responsibility.

### *On Excursions - Please Bring;*

On excursions – Each child needs to bring a small backpack which is easily carried for the day, a packed morning tea and lunch, a drink bottle of water, a sun smart hat plus wear closed in shoes and a red shirt so they are easily recognised. Clothing must be suitable for the day’s activities. Money is not to be brought on excursions except for the “Seniors Only” when appropriate. Please ensure clothing and all personal belongings are clearly labelled.

## Sherwood OSHC – Swimming Ability Form

It is a requirement that this form is completed if you have any children attending the Sherwood State School Pool during Spring Vacation Care 2018. The service will be using the school pool on particular days which are marked on the Vacation Care Program. The shallow end of the pool is 0.85m in depth and the deepest end of the pool is 1.5m deep. The children with limited ability will be restricted to swimming in the shallow end of the pool with an educator accompanying them inside their section and another supervising the area. Markers will be used to display the restricted areas to children.

The middle section of the pool will also have markers placed so the capable swimmers are aware of their area to swim in. However, they may also use the limited swimmers' section if they wish to swim with their friends. An educator will supervise the capable swimmers. The confident swimmers are the only children allowed in the deep end of the pool and again they may use all sections if they would like to swim with their friends. An educator will supervise the confident swimmers. The Responsible Person in charge will also be at pool side in case of emergencies. The educator to child ratio is 1:5 for swimming or water activities.

Both capable and confident swimmers may not interfere with the freedom of those who are swimming in other sections of the pool or they will be asked to leave. All swimmers will wear coloured zinc on their cheeks to differentiate between children's abilities so educators can easily determine what sections of the pool they are allowed to swim in. Please indicate if your child is allergic to zinc or if you prefer they do not wear it. As per sun policy, all children must have sunscreen applied whilst outdoors or swimming in the pool. The appropriate number of educators will attend this swimming activity.

We have 4 classified levels of swimming ability for our vacation care pool use.

- **Non-Swimmer:** Your child will not be allowed to participate in swimming if they are unable to keep themselves afloat without assistance or they become anxious about swimming or water.
- **Limited Swimmer:** Your child can float for a short period of time, can swim in small bursts and does not become anxious about swimming or water.
- **Capable Swimmer:** Your child can swim the whole width of the pool without stopping, tread water for short periods and is able to keep themselves afloat in water up to 1.5m in depth.
- **Confident Swimmer:** Your child can swim the whole length of the pool without stopping and they are able to tread water for an extended period of time.

**Please indicate your child/ren's swimming ability below:**

| Child's Name | Non-Swimmer | Limited Swimmer | Capable Swimmer | Confident Swimmer | Permission for zinc to be applied |
|--------------|-------------|-----------------|-----------------|-------------------|-----------------------------------|
|              |             |                 |                 |                   | Yes / No                          |
