FATHERS DAY BREAKFAST

Fathers revelled in a delightful Father's Day brunch at Sherwood State School OSHC. On this special occasion, the service's outdoor space was transformed into a warm and inviting gathering, adorned with decorations celebrating fatherhood. Laughter and camaraderie filled the air as fathers savoured a scrumptious spread of breakfast treats made by Ms. Kim and engaging conversations. The event not only fostered a strong sense of community among fathers but also provided an opportunity for them to create lasting memories with their children in a relaxed and joyful setting.

SENIOR EXCURSIONS

After numerous requests from parents for a memorable senior excursion, the much-anticipated moment has finally arrived. The first week of excursions, beginning on Wednesday, 20th September, will lead the seniors to the renowned Gallery of Modern Art (GOMA), promising a day filled with artistic inspiration and cultural enrichment. Following this, on the 27th of September, the adventure continues with a delightful game of putt putt at the charming Oxley grounds.

To secure a spot for these exciting outings, parents are encouraged to make bookings through the user-friendly Xplor app or by reaching out via email to manager@sherwoodoshc.com.au. These carefully planned excursions are a testament to the commitment of the community to provide engaging and educational experiences for their children.

MANNERS COST NOTHING, BUT THEY MEAN EVERYTHING

Manners are a priceless asset, carrying immense significance in our interactions and relationships. At Sherwood State School OSHC, the children have beautifully exemplified this notion, showcasing exceptional manners that extend not only towards the staff and educators but also to their fellow peers. Their courteous and respectful behaviour has created an environment of warmth and consideration. Ms. Lee, delighted by the children's consistent display of politeness, finds her day brightened by the heart-warming greetings she receives from these young individuals. The remarkable aspect is the children's proactive practice of good manners without any need for reminders. Their collective effort in nurturing a culture of respect deserves commendation. Well done, kids!

DONATIONS AND RECYCLING

We are delighted to announce our enthusiasm for collecting recyclables as well as donations of toys and games for our program. Rooted in a deep commitment to sustainability, our service thrives on embodying the principles of reduce, reuse, and recycle in every facet of our operations. By fostering a strong sense of environmental responsibility, we not only teach our children the importance of caring for our planet, but we also actively engage in practices that reflect our dedication. Welcoming recyclables and plaything donations not only adds vibrancy to our activities but also showcases our belief in giving items a second life whenever possible. Together, we embrace the joy of creating a greener, more mindful future while cultivating a fun and enriching experience for all.
