

## CDG CURRENT KEY INITIATIVES

### DIALOGUE:

We are organizing and moderating Bohm-Inspired Dialogue sessions on topics related to climate change and global social justice.

A dialogical approach is also key to how we conduct our conversations and meetings in an atmosphere of mutual respect and appreciation.

### OUTREACH:

We are connecting with different initiatives around the world to facilitate dialogue and engagement and foster partnerships between civil society, academic and trans-national initiatives in a global framework.

## CLIMATE DIALOGUE GROUP

### SUPPORT:

We are working to enhance the effectiveness of our dialogue partners in our mutual work on combating and managing climate change and enhancing global social justice.

### LEARNING AND RESEARCH:

In cooperation with our academic partners, we are working to offer and interface with teaching, experiential and service learning programming and coordinate possibilities for joint research.
