## *District Assumes Management of Kids Club at Running Creek*

In its continued collaboration with the Elizabeth School District, EPR began managing Kids Club programming at Running Creek Elementary School on January 7<sup>th</sup>. As the school district continues its focus on serving students during the school day, EPR welcomes the opportunity to further serve families with quality childcare services outside of the school day. Before school care will be available beginning at 6:30am and after school care will be available between 2:45 and 6pm. The cost for care is \$13 for each day of before school care and \$15 for each day of after school care. A Spring Break Day Camp as well as Summer Day Camps are also being planned for families that may need childcare during these breaks from school. More details and registration information will be announced soon. Running Creek Kids Club programming will be led by Lisa Rustad, who looks forward to leading a team of dynamic care providers committed to providing your children with fun and engaging activities in a safe environment. Kids Club programs are state licensed and therefore require the completion and submission of a registration packet for each child prior to participation. Visit our website at [www.elizabethpr.com](http://www.elizabethpr.com) for more information or to register. Feel free to call us at 303.646.3599 if you prefer to talk to someone, we're glad to help.
