Fees and Charges Schedule – 2023

The *Fees and Charges Schedule* below shows the fees and charges for standard event permits (less than 100 attendees) and other services offered by the Elizabeth Park and Recreation District in 2023. Any individual or party interested in permitting District facilities / park spaces / amenities for non-standard events (100+ attendees) must complete and submit a *Special Event Request Form*. District staff will then review the request, assess impact to park resources, and provide the individual or party with the fees and charges that will be assessed for issuing the permit. Fees and Charges for *Special Events* are determined by the standard permit fees and a consideration of the impact(s) to District facilities / park spaces / amenities.

Facility Use Requests / Permits are not available online and must be made by contacting the Park Office during regular business hours.

Weekdays are defined as Monday through Thursday. Weekends are defined as Friday through Sunday.

Refund Policy

The Elizabeth Park and Recreation District will assess a fee equal to 10% of the purchase price to all refund / cancellation requests. No refunds will be provided for requests made less than 14 days prior to the start of a permit / program / event.
