

Fees and Charges Schedule - 2020

The *Fees and Charges Schedule* below shows the fees and charges for standard permits (less than 100 attendees). Any individual or party interested in permitting District facilities / park spaces / amenities for non-standard events (100+ attendees) must complete and submit a *Special Event Request Form*. District staff will then review the request, assess impact to park resources, and provide the individual or party with the fees and charges that will be assessed for issuing the permit. Fees and Charges for *Special Events* are determined by the standard permit fees and a consideration of the impact(s) to District facilities / park spaces / amenities.

Weekdays are defined as Monday through Thursday. Weekends are defined as Friday through Sunday.
