2. The Pacific Fleet is shocked and saddened to learn of the assassination of President John F. Kennedy, the 36th President of the United States, who was shot and killed by a bullet from a high powered rifle during a motorcade in downtown Dallas, Texas at 1230 A.M. (CST) on 23 NOV 1963.

President Kennedy lived about an hour after a sniper cut him down as his limousine left downtown Dallas. Former Secretary of the Navy, John McNally, Governor of Texas who was in the car with the president was also hit by the sniper's bullets. His present condition is listed as serious. Lyndon B. Johnson is now the President of the United States.
