

## TRASH LOCATIONS

The following is a list of locations that tend to get trashy. One of my favorite places to go is #6 - the south end of Murrell Park area. **Places highlighted in green are most in need on a regular basis**

	Location	Type
1	Garden Ridge Bridge south of the Dog Park, Corner of Garden Ridge & Spinks and under bridge on Spinks by Garden Ridge	Creek Area
2	Prairie Creek between Timber Creek Road & Kirkpatrick	Creek
3	Shiloh Road & 1171 Creek area on south side of 1171 just west of the fire station	Creek/Road
4	Timber Creek bridge, it is just north of Eaton Road, over Morriss. There is often trash under and around the bridge. Turn right off of Eaton Road, left on Timber Creek and park by day care. Walk along north side of day care towards Morriss to access area under the bridge.	Creek
5	Windsor Drive Creek area, past Flower Mound Elementary	Creek
6	Grapevine Lake - Off of Redbud Drive/Orchard	Lake/Beach
7	Grapevine Lake - Off of Sunset	Lake/Beach
8	Amy Pond - at corner of Amy Lane and West Windsor. Debris tends to flow down to the pond from Westchester Park and Glenwick. The trash is often hard to get at so would be good to take a swimming pool pole to reach into the pond. You can also walk around the pond to reach. Can continue up the creek area to get any trash before it hits the pond. Might want to wear boots.	Park
9	Knob Hill Park/Trail - this is quite a ways out, off of 377. Turn left on 377 from 1171, travel a short distance and there will be a parking area on the left (east) side. That is the beginning of the trail. Usually trash in the parking area, then follow trail to right and walk to creek/river. It is a popular fishing area under the bridge that goes over the creek on 377.	Park/Trail
10	Murrell Park - located at the end of Simmons Road, off of McKamy. I have attached of a map for once inside the park. Trash is usually found at the end of the fishing trails right at the waters edge, among rocks and also at the very end of the park there is a picnic area, on the right side of the parking area when facing the water there is a bushy area that collects trash and also at the waters edge. Trash can be placed in the dumpsters at the park but I need a count on the number of bags!	Park
11	Murrell Park - south end - Access at end of North Park Drive - Northshore Bike trail goes through here and is a spot where bikers park and enter the trail. To get to the lake, enter at roadway with gate on left, walk about 1/4 mile to end of the road (veers to left at one point with restrooms on right, stay on roadway). At the end you will see the lake and trash is located along the shoreline. Trash is also in the parking area. (nice walk and setting, a nice picnic spot) Here is a link to the map: <a href="https://goo.gl/maps/hhIAW">https://goo.gl/maps/hhIAW</a> There is a line showing on the map that says COE that is the road that you walk to get to the lake (COE - stands for Corp of Engineers)	Park
12	The Flower Mound - around the perimeter - located on Flower Mound Rd next to Tom Thumb	Park
13	1171/Cross Timbers from High Road west all the way to 377.	Road
14	2499 North from Home Depot on the East side of the road	Road
15	2499 North off of 1171 on the east side of the road up towards the hospital	Road
16	2499 South from Home Depot on the East & West side of the road	Road
17	2499 South from Sagebrush to Chaparral (across the road from Wells Fargo, Fish City	Road
18	Donald/Lakeside (next to Wayfair and around corner to 2499, across Lakeside from Home Depot)	Road
19	Duncan road (off of Flower Mound road at the east edge of Flower Mound)	Road
20	Enterprise Drive - off of Lakeside Pkwy & Old Gerault - especially trashy at the corner of Enterprise & Lakeside on the south side	Road
