Joglo Clubhouse

An inspiring, fun and flexible school for upper-primary and lower-secondary students in Bali.

Joglo Clubhouse is located very close to Canggu/Pererenan in the quiet neighborhood of Munggu, providing a dynamic educational experience and wonderful trips all over Bali. Since our beginnings in 2020, we have catered to a range of situations; if you are looking for a well-rounded education, or you are online, home or world schooling, or simply looking for a fun, short-term community for your child, we will accommodate you.

We believe that it's most important for children in upper-primary and lower-secondary to enjoy their school life, and that's why our approach is centered around positive relationships and dynamic fun, inspiring creative problem-solving and a passion for learning.

The key target outcome at Joglo Clubhouse is not just academic excellence, but also emotional and social well-being - we focus on the importance of mindfulness, respect and kindness. As kids grow with a positive approach to school, academic proficiency comes naturally in their later years - there is no need to put pressure on them at such a young age. Let's encourage our children to enjoy life and have gratitude for the little things.

Our Program

Classic subjects at Joglo Clubhouse include Art, English/Language and Math, with students challenged individually, resulting in optimal learning and engagement. Students are led through personalized programs while working together and enjoying a fun, collaborative environment. Art is central to our philosophy and is always encouraged.

Additionally, students learn about our beautiful home here in our Indonesian Language & Culture program, while also finding inspiration in group and/or individual project-based inquiry in the Arts, Social Studies, and Science, based on the Cambridge International Primary and Upper Secondary curriculum.

The daily schedule runs from 8.30am - 2pm, Monday to Friday. We follow approximately the same calendar as most schools in Bali, with many of the same holidays and term breaks.
