SS '25

Bookings:

The best time to book is in advance, to ensure availability. We discuss the details of the session such as Location, Styling, Clothing, and the type of products that are important to you.

A non-refundable \$100 deposit is required to book your slot.

Preparation

Kids should be well rested and fed before the session. Its best to prepare a child that the session is a joyful time (bribing before the session creates the vision in their head that there's something to dread). Kids should be dressed with the first outfit.

Its best to prepare the clothing and accessories the night before the session to ensure that the little details don't get left behind such as pony rubbers, socks, brushes. It is ideal to bring along a quick food for the kids to much on between clothing changes (yogurt pouches, cheese sticks, sandwich....)

Session Time

Sessions are not timed. We'll shoot as long as it takes until we get beautiful portraits. (usually 1 - 1 1/2 hours) The session is very calm and not rushed so we can get the kids to have fun and show their true colors.

Viewing Your Images

Start with the end in mind. What do you want to do with your pictures? Decorate your baby room wall? Display them on your living room buffet? Or perhaps you just want to preserve childhood memories in a luxury family heirloom album?

After the session you'll receive an online gallery and we'll schedule a phone call in which I help you decide on your winner portraits, custom design wall-arts, albums and complete your order. (It's a good idea to come with the wall measurements in case you'd like to hang on wall your portraits.)

Payment:

Total must be paid in full at time of session.

Any upgrades or products must be paid in full when placing the order.

If something comes up and we will cancel, you can put your deposit toward a re-schedule. However, if you need to cancel or don't show up to the session, the deposit will not be refunded.
