Dear Friends,

We are pleased to invite you to the **Aptus Charity Golf Classic** on Wednesday, **September 2nd**, at the prestigious **Copper Creek Golf Club**. Join us for a day on the course while supporting Aptus in its mission; to provide people with developmental disabilities **meaningful opportunities** to explore what matters most to them in their communities.

Last year's event marked an important step forward as **Aptus began advancing plans to expand supportive housing**. Thank you for being a part of this important work.

Today, **more than 30,000 adults with developmental disabilities in Ontario are still waiting for supportive housing**, and that number continues to grow each year. In response, Aptus is planning a new inclusive housing development designed to help meet this urgent need.

As outlined in the following pages, this vision will provide people with a **safe, supportive home** while promoting **independence, inclusion, connection**, and the ability to **age in place**.

We invite you to be part of bringing this project to life and **creating hope** for those still waiting. We look forward to spending a meaningful day together with **golf, great food, and community**.

Enclosed is a **sponsorship package** outlining a variety of ways to get involved. If you have any questions, please contact **Jordana Illies, Manager of Fund Development**, at 416-735-6736 or jordana@aptustc.com.

Thank you for your continued generosity and support.

Warm regards,

Paul Ostrander & Goffredo Vitullo
Co-Chairs, Aptus Charity Golf Classic

Impact of Your Support

Building Homes. Creating Community. Changing Lives.

The Need

More than **30,000 adults** with developmental disabilities in Ontario are waiting for supportive housing– and the list continues to grow. Many individuals **wait over a decade** for a safe, stable home.

Aptus currently provides **24-hour supportive housing for individuals**, but with limited turnover, **demand far exceeds capacity** – leaving too many individuals and families without options.

Our Vision

Aptus is responding by exploring plans to redevelop its current Anthony Road site. The dream is to create a **modern, inclusive housing community** designed for **independence, connection, and aging in place**.

The project aims to deliver an accessible, purpose-built environment that integrates housing, on-site supports, and community programming.

The Impact

Provide **Individuals** with a permanent supportive home

Give families **peace of mind** knowing their loved ones are safe and supported

Prevent isolation and unsafe living conditions

Empower people to live with **independence & participate meaningfully** in their community

Create a model for **inclusive, integrated supportive housing** in Ontario

Progress to Date

Nearly **\$1 million** raised through early donor support

Land secured at Anthony Road

Seed funding from CMHC secured to support preliminary work

Feasibility studies **underway**

Architect selection in progress
