# Impact of your Support

"The Landscape has had so many visits – children coming to use the Landscapes' playground, youth playing basketball and hanging out in the sensory forest, and seniors planting diverse crops that are popular in their countries of origin. People tell me that they feel welcome here."

Elaine Garness, Teaching Landscape Program Supervisor

## Growing skills and connection

Thanks to your support of the 2021 Aptus Charity Golf Classic, the Aptus Teaching Landscape hosted another year of events, programming, community gardening, recreation and engagement.

Aptus participants of all ages participated year-round, harvesting vegetables in the fall and planting seeds from those crops in the spring. Each part of the farming process was a learning moment, such as students spreading compost on the beds to ensure the vegetables will have the nutrients they require to grow and learning how to harvest pumpkins for Halloween! Adults living in Aptus homes planted seeds in the greenhouse over the winter that were transplanted to their homes' gardens in the summer.

People supported by community agencies across the GTA have been coming to the Landscape to learn and practice new skills that will help them with future employment, such as taking care of plants in the greenhouse and basic landscaping.

The largest number of visitors this year were members of the local Downsview community. Aptus' greenspace is free and open to the public year-round – important features to Downsview where household incomes are lower, in addition to less access to greenspace.

*Aptus CEO Cheryl Perera thanked Rob Vitullo, President of Mosaik Homes, for his sponsorship of the Landscape and years of support to Aptus with a tree planted in his honour.*

Dear friends,

We are pleased to announce the annual Aptus Charity Golf Classic will be on Wednesday, September 7th, 2022 at the spectacular Copper Creek Golf Club.

We will be back to a full-size tournament of 144 golfers! This will be a day where we can enjoy spending time together while having a great game of golf.

**Last year's tournament exceeded all hopes.** We raised the needed funds to support:

- another great year of programming at Aptus Teaching Landscape in Downsview (enjoyed by over 2600 people each year)
- Significantly pay down a mortgage on one of Aptus' group homes
- Pay off loans on 2 vans
- Continue the virtual programs and services in high demand
- Complete a number of maintenance and upgrade projects at Aptus homes

Thank you for helping us to make this **significant impact**. See story on the next page to

learn about the difference you helped to make.

We hope you will join us in making a big impact again this year. Our themes are: **mobility and longevity**.

**Mobility**

Aptus' fleet of vans get extensive use – supporting outings, appointments and essentials for over 200 people, 365 days a year. Many of the vehicles are over 10 years old. As well, many of the people Aptus supports now use walkers or have limited hip function. We hope to make some needed repairs on current vans and purchase 2 new vans which are lower to the ground and have the option for a ramp to be installed.

**Longevity**

The building sector has been behind all of Aptus' golf tournaments. Aptus' building needs are great. But in many cases, there are small projects which can provide big safety or accessibility wins: replacing an air conditioning unit or kitchen fan, leveling flooring, or adding a new safety rail.

**You can help make the difference!**

A sponsorship package is enclosed for your consideration. There are many different ways to participate! Should you have any questions, please feel free to call Jordana Illies, Aptus' Donor and Partner Relations Lead, at 416-735-6347 or [jordana@aptustc.com](mailto:jordana@aptustc.com).

Thank you for your support. We can't wait to have you back and make a big difference for people of all ages and abilities.

Sincerely,

**Paul Ostrander & Goffredo Vitullo**
