Impact of your Support

“

Our new van is improving the way the people we support feel when it is time for outings. With the change to the new vehicle, everyone can participate in community inclusion with no barriers.

”

Anthony D'Souza

Supported Living Program Supervisor

Thanks to you, Aptus has some new wheels!

New and more accessible vans mean a more comfortable ride and fewer outing cancellations. Our staff and supported residents can't thank you enough!

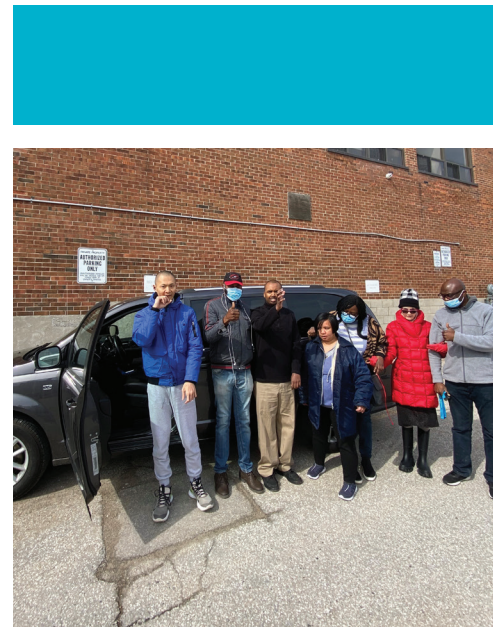

Your generous support of the 2022 Aptus Charity Golf Classic, enabled us to replace three of our old Ford Econoline vans with new Dodge Caravans – and they're getting rave reviews from staff and residents alike.

Our new vans are lower to the ground, making them more accessible to many of the adults residing in our supported living homes. *"The height of the older vehicles made it difficult for people to get in and out,"* shares Laurine Didier, a Supported Living Program Supervisor at Aptus. *"One lady did not want to go out because the step was too high and there was not enough space for her to maneuver. Getting out was so difficult, she had to sit and struggle her way out with staff support."*

Thankfully, when getting in and out is easier, the ride more comfortable, and the vehicles reliable, it makes everything easier – whether it's daily errands, appointments, or planning and enjoying an outing that doesn't get postponed or cancelled because of a need for a repair.

The new vehicles are also giving staff the confidence to plan outings more often and further afield according to Rosemary Ezeh, another Supported Living Program Supervisor at Aptus. *"We can now go on long-distance outings, especially in the summer to fun places, and this will improve the quality of life for individuals while reducing anxiety."*

With new wheels, everything seems more accessible! We can't wait to get rolling to destinations near and far, and to report back on some of our adventures. Your generous support made all the difference. Thank you!

Dear friends,

We are delighted to announce that the annual Aptus Charity Golf Classic will take place Wednesday, September 6th, 2023, at the beautiful Copper Creek Golf Club. This year's event, is open to a full complement of 144 golfers, promises to be better than ever, and will again raise vital funds in support of Aptus Treatment Centre. If you aren't already familiar with the organization and the extraordinary work they do, please visit www.aptustc.com. We know you'll be amazed, inspired, and want to join us on the greens!

We look forward to this fun-filled day every year: it's an opportunity to enjoy time together, play some golf, and most importantly, raise vital funds for important priorities at Aptus. Last year's event was an incredible success, but we know that with your participation and support, this year's event will be even better.

Don't miss it! Please join us and let's help Aptus enhance both indoor and outdoor living spaces at the 11 locations where they provide services for people with developmental disabilities.

Your support will directly help:

- Modify indoor spaces at Aptus' supported living homes to make them more accessible for those aging, as well as those with mobility needs.
- Initiate and complete important updates and renovations to some of the older homes and facilities.
- Optimize all-important outdoor spaces so that people supported at Aptus and staff can enjoy more time outdoors, benefiting their physical and mental health, while participating in activities like planting and gardening.
- Renew residence decks and landscaping, and to purchase items such as BBQs, swing sets, picnic tables and adult tricycles for the enjoyment of residents.
- Ensure the people supported at Aptus have opportunities to participate in community activities.

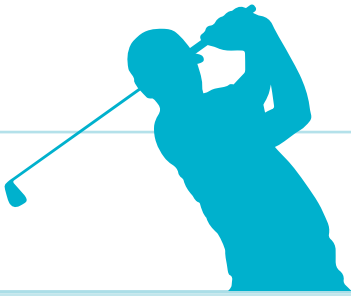

We can't wait to tell you about some of the ways funds raised through the Golf Classic have made a difference to Aptus and every person they support in growing, achieving, and belonging.

Let's make a difference together! Please reach out to Jordana Illies, Aptus' Manager of Fund Development at 416-735-6347 or jordana@aptustc.com for more information on sponsorship and registration.

Sincerely,

Paul Ostrander & Goffredo Vitullo
