Impact of your Support

Thanks to you, Aptus' supportive living spaces are feeling more and more like home!

With your support of the 2023 Charity Golf Classic, we were able to complete eight much-needed renovations and acquire 48 essential items. Thank you for helping us create a secure, comfortable, and inclusive environment for the individuals residing at Aptus. Your support extends well beyond the physical enhancements made to Aptus' properties. It has brought immense joy, hope, and a revitalized sense of dignity to the individuals who consider Aptus their home.

More time in the backyard!

Angela considers the backyard of her supportive living home as her safe haven, where she can effectively self-regulate during moments of overwhelm or anxiety. She often expresses her desire to spend the entire day in the backyard if given the opportunity. Thanks to the success of last year's golf tournament, Aptus was able to replace Angela's beloved but weathered outdoor sitting area. The new table not only provides a more inviting atmosphere for everyone but also offers improved accessibility. Since the addition of these new furnishings, Angela and her housemates have been dedicating more time to enjoying the backyard.

Everyone deserves to feel at home!

When Howie walked into his house for the first time after the renovation, his face lit up, and he exclaimed, "Oh my gosh! Our place looks so nice now!" Prior to the much-needed upgrades, his house resembled more of a workplace than a cozy living space. Thanks to this tournament, the front hall of Howie's home received a thorough update, including a complete closet renovation. This has resulted in a deeper sense of organization and comfort whenever they step inside their home.

Our new washroom makes life much easier!

Ian and his staff have a deep affection for their old home and its character, but the accumulation of ongoing repair requests was becoming taxing. The washroom, in particular, required a new toilet due to constant malfunctions, and the vanity had deteriorated over time. Fortunately, thanks to the golf tournament, Ian and his housemates received a complete bathroom renovation. As a result, they now have a more accessible shared space with brand new, dependable fixtures.

I love my new oven!

For Sarah, preparing meals for herself and her housemates gives her a sense of independence and self-reliance. Her new kitchen has empowered her to feel more confident in her cooking skills and has encouraged her to explore her culinary abilities. Receiving her new much-needed stainless steel oven was a very special moment for her - she lit up and gasped "it's beautiful!". With her new confidence, Sarah is choosing to spend more and more time learning recipes and has taken an interest in making healthier meals for herself and her peers living in the home.

Thank you for providing Aptus' homes provide a more nurturing and supportive atmosphere for personal growth and development.

Embracing Potential since 1979

Dear Friends,

We are pleased to announce the 45th Anniversary Aptus Charity Golf Classic will be held on Wednesday, September 4th, 2024 at the spectacular Copper Creek Golf Club. In honour of Aptus' 45th Anniversary, we will be making a big impact, investing in a strong and impactful future! We look forward to doing this with you!

Last year, your investments in Aptus successfully funded 8 long-awaited renovations at Aptus' supportive living homes. In addition, 48 priority items were purchased creating a safe, comfortable, and inclusive environment for the individuals living at Aptus! Please read their stories on the previous page to see examples of the difference this tournament has made – and hopes to build on!

This year's support will directly fund the investment of a new home for those living at Aptus and the developmental service sector. One critical challenge Aptus faces is the lack of a dedicated space that can serve as a high-support and inclusive home. It is also estimated that roughly 30,000 adults with developmental disabilities are waiting for supportive housing in Ontario, with the waitlist growing by roughly 1,200 each year.

Investing in new housing supports you will:

1. Provide Hope and a Place to Call Home

By helping Aptus acquire a new property, you will ensure that individuals with developmental disabilities waiting on the high-priority housing waitlist will have access to a secure and stable environment where they can thrive and grow. This will help alleviate worries about the future, allowing individuals and their families to focus on personal growth, development, and envisioning a positive future.

2. Expand Services and Provide Long-Term Sustainability

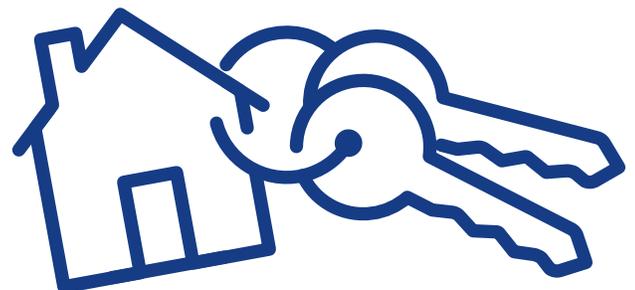

With a new permanent home, Aptus can expand its current range of services and offer more specialized supports to meet the unique needs of the people in their care. Owning an additional property will also provide Aptus with stability and independence allowing more resources allocated directly towards enhancing the quality of programs and services.

Your support will bring Aptus one step closer to creating a brighter and more inclusive future for individuals with developmental disabilities. Together, we can provide a home that will foster growth, empowerment, and endless possibilities!

A sponsorship package is enclosed for your consideration with many different ways to participate. Should you have any questions, contact Jordana Illies, Manager of Fund Development at Aptus 416-735-6736 or jordana@aptustc.com.

Thank you for your support,

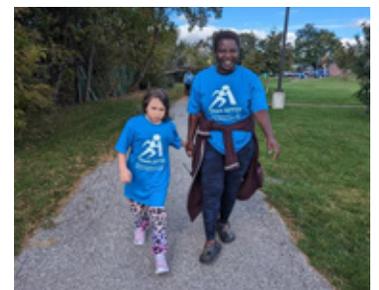

Sincerely,
Paul Ostrander & Goffredo Vitullo
Co-Chairs, Aptus Charity Golf Classic
