Book RETIRED WONDER WOMAN for Conventions, Shows & Parties

From AMERICA'S GOT TALENT to Your Next Event!

(Your Location, Worldwide)— Following a surprise appearance on *America's Got Talent*, strolling comedian RETIRED WONDER WOMAN is ready to bring her never-ending battle for truth, justice and early-bird senior discounts to your next convention, party, business promotion, sports competition or trade show.

Decked out in superhero red, white and blue—in addition to old-lady glasses, fuzzy slippers and sagging bustline—RETIRED WONDER WOMAN blows models, mascots and other mere mortals out of the water with her razor-sharp wit and ceaseless dedication to character.

“A very funny lady!” says AGT’s Howie Mandel. Pop culture event producer Bernie Bregman calls her “the comedic force you never saw coming,” while businesses big and small have personally thanked her for bringing much-needed comic relief to their attractions and exhibits.

As a free-range comedian, RETIRED WONDER WOMAN requires no stage or fixed location. Instead, she earns her appearance fee by meeting, greeting and entertaining guests and customers up close and personal. And as her fan base grows, so do sales each time she’s officially booked.

So what are you waiting for? Show her some love. *Or at least the way to the buffet!*

Played by an award-winning former network news reporter and US Navy veteran, RETIRED WONDER WOMAN appeared on season 12 of America's Got Talent. She has been featured in dozens of websites, podcasts and newspapers including USA Today and has performed at the Hollywood Walk of Fame, the Philly Pride Parade and at comic book conventions from coast to coast. In 2014 she personally made Lynda Carter do a spit-take.
