TESTIMONIAL (Martha): "We had the opportunity to visit another historic site this Fall. When we left, Emme, my youngest said, "Mom, they were nice and told us things, BUT, they were not anywhere close to being as good as Mrs. Washington." I just love how much you've made the history around the Washingtons come alive. The girls think they have a personal connection now. You've definitely put a whole new angle into our learning and we all love and appreciate that! ~ Alisa, Homeschooling Mom & Homeschooling Co-op Leader

TESTIMONIAL (George): Mr. Koopman's masterful portrayal of the General, in terms of physical appearance, deportment, and powers of speech, brought a chill to many a spine and a tear to many eyes. In addition, his knowledge of the character and period added greatly to the believability of his impression. ~ Jim Hollister, Park Ranger/Education Coordinator, Minute Man National Historical Park
