

PLUCKLEY WITH EGERTON GARDENING SOCIETY

BOOKING FORM FOR LEONARDSLEE LAKES AND GARDENS

14TH MAY, 2020 9.00am

Leonardslee Lakes and Gardens have been described as 'The Finest Woodland Gardens in England'. Planted in 1801 the 240 acre estate has outstanding scenery particularly in Spring with displays of rhododendrons, azaleas, camellias and magnolias. There is also a dolls' house exhibition, a rare colony of wallabies, and huge carp in the seven ponds. So something for everyone. We are happy to say that the coach for this trip is being paid for totally out of PEGS funds, so a wonderful day out for only £11.

There are a number of restaurants and a tea room, but please note **Leonardslee is a cash free zone, they only accept payment by card.**

Please fill in this booking form and send to Sue Steward, Jennings, Charing Road, Pluckley, Ashford, Kent, TN27 OQL. **Please note bookings will only be accepted with a booking form and a cheque, no cash.**
