

PLUCKLEY WITH EGERTON GARDENING SOCIETY

---

**BOOKING FORM FOR RHS HYDE HALL GARDENS AND FLOWER SHOW  
6<sup>TH</sup> AUGUST 2020 9.00am**

One of the RHS's most interesting gardens. It has recently undergone renovations and now includes a Global Growth Vegetable Garden symbolising the four quarters of the globe, an Australian and New Zealand Garden filled with grasses and perennials as well as their famous Dry Garden which is full of helpful ideas for drought tolerant plants, which we will all need in the future living in the dry south east. On top of all that we are going when they have a summer Flower Show with specialist nurseries selling tempting unusual plants, and we will make room on the coach to bring them home.

There is a restaurant there, and for the less mobile manual wheelchairs available, also they have two mobility scooters which you can hire for a donation of £2, but I will need to **pre-book** these so give me a ring on 840320 as soon as possible as they might be popular. Although, if you already have a mobility scooter we have room on the coach for two, but again let me know. We are happy to say that the coach is being subsidised by PEGS, so for this wonderful day out you only pay £5.

---

Please fill in this booking form and send to Sue Steward, Jennings, Charing Road, Pluckley, Ashford, Kent TN27 0QL. **Please note bookings will only be accepted with a booking form and a cheque, no cash.**

Number of tickets required at £5 each.....
