

OWLES KARATE & KOBUDO DOJO - 2025 FALL KARATE CAMP

Welcome to our fall training camp celebrating our dojo's 17th anniversary. The goal of this camp is to provide a positive environment for students to grow, learn and strengthen friendships through karate-do. Be sure to ask questions and take advantage of the vast experience and knowledge of the instructors at this camp. Attend whatever classes you wish and soak up as much knowledge as possible. Don't be afraid to try something new or work with someone you don't know.

If any issues arise, bring your concerns directly to me or a member of the Owles Karate Dojo Leadership Team. Please ***DO NOT*** take problems to any of our guest instructors. Be flexible and keep a positive attitude throughout the weekend. Schedule is subject to change.

Thank you to all of the guest instructors for dedicating their time and knowledge to our dojo and this little ol' camp in Texas. I hope you enjoy our classes and take home as much knowledge as you are able to carry. Train hard, practice harder and enjoy your weekend!
