Celebrate 172 years of rail in Phillipsburg and the town's prominence as a transportation hub this September at the second annual Phillipsburg, N.J. Railroad Festival! [Platinum Star Cleaning](#) presents the second annual railroad festival on Saturday, September 14, 2024, from 11 a.m. to 5 p.m. Last year's festival was a huge success, with over 3,000 people.

The festival, which will have three walkable areas, kicks off at 11 a.m.

Area 1, Shappell Park and the surrounding area, with food and retail vendors and music. Also, nearby will be the Centerville and Southwestern Railroad (a.k.a. The Becker Farm Railroad), a miniature train ride operated by the Phillipsburg Railroad Historians, and vintage buses on display from the Friends of the NJ Transportation Heritage Center.

Area 2 is Phillipsburg Union Station, the former train station built in 1914. Undergoing restoration, the completed first floor will be open for tours. Nearby is the Phillipsburg Union Tower. The former CNJ railroad switch tower in Phillipsburg has been undergoing a full restoration and will be open for tours.

Area 3 is the location of Delaware River Railroad Excursions, where you can book a trip on The River Train or The Warren County Winery Train, which offers beautiful rides on historic railroad equipment, including an operating steam locomotive.

We are expecting thousands to attend again this year for the second annual landmark event. Join in on the excitement as an official vendor! Vendors will be represented on all signage in Areas 2 and 3, directing festival goers to Area 1, Shappell Park.
