

NASA'S

Mini Olympics

We're thrilled to invite your gymnast to participate in our annual Mini Olympics, happening on May 2nd and 3rd, 2025!

This is a special opportunity for our preschool and recreational gymnasts to show off the skills they've been working hard on. Each athlete will perform a routine or sequence of skills on Vault, Bars, Beam, and Floor. Afterwards, they will receive a medal and ticket up on the podium—perfect for capturing those unforgettable "Kodak moments"! Routines will be taught in class in the weeks prior to the event.

Every gymnast will receive a medal, certificate and unless you opt out, they will receive a new NASA leotard!

DATES

Friday, May 2nd

- 5:30pm – Select, Intermediate, and Advanced Recreational Classes

Saturday, May 3rd

- 10:00am – Preschool (Bumble Bees & Tumble Bees)
- 12:00pm or 2:30pm – Level 1 & Level 2 (choose one session)

COST

Participation Fee:

- \$85, which includes a custom-made NASA leotard with matching scrunchie, certificate and medal!
- \$50 if your gymnast would prefer to opt out of purchasing a leotard. Please email us directly, and we will assist with registration.

Admission Fee (CASH ONLY):

- \$5 per person at the door.
- Children 10 and under are free.

Due to limited viewing space, we ask that only three guests per gymnast attend.

REGISTRATION

To secure your gymnast's spot, please log into your family's account. Under "Camps" you will register your athlete for the session that matches their level.

*** If your gymnast would prefer to opt out of purchasing a leotard, please email us directly, and we will assist with registration.*
