Hampton Coliseum
June 25, 2023
11am - 3pm

SPRING IS HERE!

It's time to groom our yards, complete those home repairs and tidy up. You may consider downsizing and getting rid of unused items. Maybe this will help you!

CGFHA is hosting a Community Yard Sale. The dates are May 6th And 13th 2023, from 8am until 12 pm. Each person may set up in their own individual yards. Please register at the office. Advertising for this event is encouraged.

DON'T FORGET

CONSTRUCTION APPROVAL

A construction approval form is required from the office for roofs, windows, gutters, fences and all work being done on the outside of your home. You must have signed approval before work begins. This info must be shared with the contractor to protect you. All work must be done in accordance with CGFHA rules, regulations and guidelines.

VISITOR PARKING Visitor parking is by decal only. If there is not a visible decal, your car will be towed. Residents are not to use the visitor spots at any time. Please do not park in your neighbors parking spots unless you have permission. Your car can be towed.

BULK WASTE & DUMPSTERS

Bulk waste is to be placed on the street on Wednesdays after **3:00 pm**. Please do not place bulk waste at the dumpsters or in the Common Areas.

Please place your household trash in the dumpster, NOT on the outside of the dumpster. Construction refuse or furniture items cannot go in dumpsters. Do not send small children to the dumpster as they cannot reach it. If you are caught leaving trash outside of the dumpster, you will be charged a violation fee and possibly a cleanup fee.

QUIET TIME

§ 22.03

No person shall make, cause to be made or permit to be made sound from any other person, animal, vehicle or sound production or sound-reproduction system or device on a privately owned Lot from 10:00 PM through 7:00 AM to allow others peace and quiet in their own premises.

PETS

Dogs are required to be on a leash when they are outside per Newport News city code. Also, please be considerate and clean up behind your pet and dispose of the waste properly.

PLEASE MONITOR YOUR CHILDREN

Complaints are being called into the office on the following issues.... Utility boxes are being damaged, balls are hitting cars, children are knocking on doors, trash from drinks and snacks are being left in the common areas and sitting trash on outside of dumpsters.

SPEEDING

The speed limit is 25 mph through the entire neighborhood. We have many children going to bus stops. Please be mindful of the speed limit.
